

The 1888 Society honors donors whose generosity strengthens the heart of The Christ Hospital Health Network. Founded to commemorate our 100th anniversary, this community continues a legacy of neighbors helping neighbors that began in 1888. Through annual gifts of \$1,000 or more, members fuel innovation, discovery, and patient-centered care that brings hope and healing to those we serve across the region. We are deeply grateful to our 1888 Society members for their continued commitment to our mission.
